

Town of Barnesville

Town Meeting Minutes June 19, 2010

- Read and Approved Minutes from May Meeting
- Monthly Financial Statement Approved

Old Business

- Commander Didone of Montgomery County Police Traffic Enforcement may be able to help with our speed camera additions.
- Sidewalk repairs and walk around the Town Hall to be repaired. Pete will have bids next month.
- The Planning and Zoning board has no updates regarding the Meissner and Prichard properties. They will have an update regarding The Water Resource Elements Plan.
- No Growth Policy is in place regarding expanding the Town; however, Pete feels this could help to protect our Town's interest in the future.
- Susan Percy and Clark Brown, of the Board of Appeals, must complete the Planning and Zoning course.
- The Planning and Zoning Board is still researching animal zoning in surrounding areas. (Commercial Dog Kennels in particular.)
- "Barnesville Oaks" hearing to be held the 22nd of this month. Pete and Meg Meinke have written letters against the construction and naming of development. There has been a Request to have Barnesville represented at this hearing.
- Beautification Committee reports that flags are flying and the Crete Myrtles are Blooming!
- Regarding the Maryland Energy Grant, Pete has called the Historical Society to set an appointment for approval.

- MARC Train signage designates one side of lot to be designated for NO Overnight Parking. (The Right Hand Side)

New Business

- Next Fiscal Year's Budget has not been designated as of yet. Commissioners will have the Budget ready for approval next meeting.
- Sidewalk Bids are not ready as of now. To be revisited next meeting.
- Town Computer will be handled by Luke Fedders this week. Town Business will continue as usual.
- Titus Trash recycling schedule change will be questioned by Luke.
- Barbara Davidson updated the Commissioners regarding "Keep Monocacy Open". The next meeting will be in November, as Weiss will make his recommendations at that time.
- The Calendar for the years will be set at the next meeting.

Meeting Adjourned 8:29pm
