No report.

Unfinished Business

- Mayor Fedders has reached out to four different companies for estimates for the generator for the town hall. A propane tank will be used to run the generator. The generator will run the lights, heat, AC and water.
- The one estimate we have received to install the shower in the bathroom is from Bennett Carpentry and is for \$3300.
- We will have three names (Bonnie Brown, Mildred Callear and Luke Fedders) on the ballot for the upcoming town election, which will be held on May 6th.
- We have received an estimate from Majestic Floor Company to have the town hall floor screened. The Commissioners had a few questions about how long this process would last and how to clean it.

New Business

- The Commissioners agreed to give a love gift to both the Barnesville Baptist Church and St. Mary's Catholic Church in the amount of \$200 each.
- The mulch has been delivered for the town Earth/Clean-up day.
- The speed camera revenue for FY13 should be around \$37K.
- Work needs to be done on the town hall AC unit to fix leaks.
- Monocacy Elementary School PTA asked for a donation for a moon bounce for the Spring Festival. Commissioners agreed to give donation.
- The town dinner went well and had a good turnout. The raffles for adults and kids were well received.

Meeting Adjourned at 8:04 pm
